**FOR THE RECORD**

In "Take It on Tradition" (August/September 2018, page 106), Katz-Novoa Architects in Short Hills should have been credited along with the designer for the master bathroom featured in the article. Katz-Novoa worked with the owners on a complete renovation and expansion of the home, including the master bathroom. Ileana Martin-Novoa, managing partner, notes that her firm's work included architectural, structural and lighting design; all trim work; and details for much of the millwork. Katz Novoa also coordinated fabrication of the countertops, cascading shower seat, threshold and shower niche shelves and oversaw the layout of the shower components and tile installation. In "The Grills of Summer" (August/September 2018, page 60), the location of Char-Broil Grills' headquarters should have been listed as Columbus, Georgia.
