FOR THE RECORD

In "Personality Plus," an article on pages 46-48 of the August-September 2023 issue, the kitchen design should have been attributed to JMC Home Remodeling in Parsippany. The homeowners engaged Donna Farley, kitchen and bath designer with JMC, to redesign the kitchen to be more open and user-friendly. She relocated the appliances for better flow and raised the window to create space to move the sink under it so the homeowners can enjoy the view while working. She also replaced the cabinetry and hardware, designed a larger island and opened up a cased wall between the kitchen and family room. Designer Swati Goorha chose a blue ombré glass tile backsplash, added a limewash paint on the walls and redesigned the family room. JMC Home Remodeling, 973-386-0707/jmchomeremodeling.com.
